ACCENTS

There is nothing like that perfect lamp to finish off any room. By working closely with you, I can create that unique and stylish lampshade you need to accent any room in your home - complementing your decor and showcasing your beautiful lamps!

RENOVATE & RESTORE

Whether you want to use your own creative thoughts for your lampshade or you want to restore an antique lamp, Tracy's Custom Lampshades can help. You know that feeling when you have nothing to wear, well take a look at your lampshades - do they need new clothes? Your lamps are not just for lighting, they can make a statement - a statement about you. Tracy's Custom Lampshades can help you make a stylish statement. Bring in your lamps for that perfect fitting!

SELECTION

Don't toss those old lamps, give them a facelift! New lampshades can be the perfect way to spice up any room! If you have inherited an antique lamp, but the shade needs replacing, let me restore its character and beauty, even Grandma would approve!
